OMB No: 0412-0579.

Form: AID 309-2.

Title: Offeror Information for Personal Services Contracts With Individuals.

Type of Review: Reinstatement, without change, of a previously approved collection for which approval has expired.

Purpose: USAID must collect information for reporting purposes to Congress and the Office of Acquisition and Assistance Contract Administration. This form will be used to collect information from offerors applying for PSC opportunities and to determine the most qualified offeror for award of a PSC contract.

Annual Reporting Burden:

U.S. Respondents: 12,600.

Total Annual U.S. Responses: 12,600.

Total Annual Hours Requested: 12,600 hours.

The burden estimate is based on the average number of PSC awards made over the past three years, which is 600. The average number of respondents to each solicitation is 21. Therefore, the total annual number of U.S. responses averages $600 \times 21 = 12,600$. The amount of time estimated to complete the form is one hour, for a total of 12,600 hours. The cost estimate is based on the total annual hours requested. Most respondents are individuals from various sources submitting offers for positions that have an average salary equivalent to a GS13 step 5, which currently equals \$56.31/hr. Therefore, the total annual cost to respondents averages $12,600 \times \$56.31 = \$709,506$.

Senior Procurement Executive.
